OUTPUT:

The screenshot shows a web browser window with the address bar displaying "E:/Web%20Technology/student%20registrationform.html". The page features a "Student Registration Form" with the following fields and options:

- Student Name:** Text input field containing "Savitha R".
- Email:** Text input field containing "savithar@gmail.com".
- Password:** Text input field containing "*****".
- Phone Number:** Text input field containing "9994517158".
- Gender:** Radio button group with options: Male, Female (selected), and Other.
- Department:** Dropdown menu showing "B.Tech IT".
- Skills:** Checkboxes for HTML (checked), CSS, JavaScript, and Python.
- Address:** Text input field containing "169,indra street,thiruvallur".

At the bottom of the form are two buttons: a green "Submit" button and a red "Reset" button.
